

Sully

A truckable
upholstered stool.

➔ London Smartworking: SULLY-01

Product Description

Designed to work together in small clusters, or as part of larger configurations in combination with Away from the Desk, Skomer, Ramsey and Sully have a fresh and contemporary aesthetic, offering choice, comfort and adaptability for a variety of work scenarios.

Like Ramsey and Skomer, Sully offers a refined level of comfort and support. A small tub chair with the mobility of a traditional light meeting chair, Sully's moulded PU foam seat and backrest elements deliver crisp upholstery with the resilience to deal with high-churn environments.
